

# ETHOS KIDS

## WELL CHILD POLICY

To ensure the health and safety of children and volunteers, we ask that sick children be kept at home. Signs of illness in children include:

- a fever
- vomiting and/or diarrhea
- sore throat
- loss of taste or smell
- questionable skin rash
- colored runny nose (green/yellow)
- unusual fatigue or irritability
- eye infections (discharge in or around the eyes)
- cough
- shortness of breath
- head lice

If a child has shown any of these symptoms in the last 48 hrs, please keep them at home. If your child shows any of these signs or symptoms once dropped off in the Kids Space we will notify you and ask you to check your child out of class.
